

Dining Change Announcement

March 13, 2020

Beginning on Sunday, March 15, the Banyan Grille will close for a period of two weeks. This will allow the dining staff from the Banyan Grille to relocate and offer support to Shell Point's assisted living and skilled nursing buildings. During this two-week closure of the Banyan Grille, those who would like to enjoy a Sunday Brunch should head to The Crystal, which will serve plated meals from an à la carte menu. Additionally, the Breezeway Café hours have been changed; diners will now be served from 8 a.m. to 2 p.m. daily.
