

SHELL POINT IS PLEASED TO ANNOUNCE THE SEVENTH ANNUAL

MEDICAL BREAKTHROUGHS & DISCOVERIES

2024

The Legacy Foundation is pleased to announce the lineup for the **2024 Medical Breakthroughs & Discoveries Series**, a healthcare speaker series designed to share updates on the latest advances in medical research and healthcare practice. This educational series of presentations at **The Village Church** will feature prominent local and national experts who will address recent advances in the fields of urology, cardiology, oncology, and more.

All six Medical Breakthroughs & Discoveries presentations are free and open to the public. Sign-up is required for each program. Shell Point residents may contact the Legacy Foundation office at (239) 466-8484, and the public may call the event line at (239) 433-7936.
